Spanish Language Camps

Let's Get Messy

Ages 3-8

In this fun and welcoming art camp, our little artists will get messy and dirty, because it's the best part of creating! Each child will be provided with the freedom and ideas to play, experiment, explore and create their own perfectly imperfect art. Children will explore and engage in a variety of hands-on projects, including drawing, painting, sculpting and mixed media – all in a language immersion environment.

¡Vamos a Jugar!

Ages 3-10

Get ready to play and have fun while learning Spanish! We will learn about sports and games that are popular in Latin America and the Spanish-speaking world. We will also make some of our own games to take home at the end of the week.

Mysteries of Ancient Pyramids

Ages 3-10

There are thousands of pyramids around the world and they all hide their own secrets and mysteries. Children will explore the pyramids of Maya, Egypt, China... They will engage in hands-on activities to learn how the pyramids were built and mummies were made – all in a Spanish immersion environment.

¡Vamos a Cocinar!

Ages 6-12

Learn Spanish while making a variety of dishes from the Spanish-speaking world! We will make tortilla de patata, tostadas, buñuelos, paella, arepas and much more all in a Spanish immersion environment.

*This is a half-day camp: 9 AM – 12 PM. Children may be enrolled in any other camp that week for the afternoon part of the day, if space is available.

*Additional food supplies fee applies: \$25 (half day)

Around the World in 5 Days

Ages 3-10

On each day of our around the world camp children learn about a new continent, with a special emphasis on Spanish-speaking countries. Children learn geography and explore the world through activities, crafts, and games.

From the Amazon to the Andes

Ages 3-10

Explore the continent of South America in our Spanish immersion camp! We will explore this diverse continent and learn about an incredible variety of places through our hands-on activities. Children will broaden their knowledge of the Spanish-speaking world all while having lots of fun!

STEAM

Ages 3-10

Get immersed in Spanish with Spanish STEAM! Children will expand their Spanish skills through STEAM-based activities. We will launch rockets, compete to build structures, try cool experiments and create art all in the language immersion environment. This week will be a hands-on exploration of various STEAM activities all in Spanish.

¡Increíble! Science en español

Ages 3-10

Learn about inventors, simple machines, and different materials in our Spanish immersion science camp. We will tackle challenges, do experiments and explore technology. Put on your lab coat and join us as we learn Spanish through science!
