Spanish Language Camps

Let's Get Messy

Ages 3-6

In this fun and welcoming art camp, our little artists will get messy and dirty (the best part of creating)! Each child will be provided with the freedom and ideas to play, experiment, explore and create their own perfectly imperfect art. Children will explore and engage in a variety of hands-on projects, including drawing, painting, sculpting and mixed media – all in a language immersion environment.

Science en Español

Ages 6+

Learn about inventors, simple machines, and different materials in our Spanish immersion science camp. We will tackle challenges, do experiments and explore technology. Put on your lab coat and join us as we learn Spanish through science!

From the Amazon to the Andes

Ages 3-5

Explore the continent of South America in our Spanish immersion camp! We will explore this diverse continent and learn about an incredible variety of places through our hands-on activities. Children will broaden their knowledge of the Spanish-speaking world all while having lots of fun!

Spanish Literacy

Ages 5+

Half Day

**This is a half-day camp: 9 AM – 12 PM. Children may be enrolled in any other camp that week for the afternoon part of the day, if space is available.*

¡Vamos a España!

Ages 6+

Dive into the world of Spanish culture! This camp will introduce children to the wonders of Spain, from its rich history, to big cities, and delicious cuisine. Whether you have traveled to Spain or have it on your bucket list, this Spanish

immersion camp is a great way to introduce your child to it's geography and culture.

Art: Pintar y Aprender

Ages 3-12

Become an artist while immersed in Spanish! Children in this art-focused camp will learn all about painting while simultaneously learning about famous Spanish-speaking painters from Picasso to Dalí.

Around the World in 5 Days

Ages 3-12

On each day of our around the world camp children learn about a new continent, with a special emphasis on Spanish-speaking countries. Children learn geography and explore the world through activities, crafts, and games.

¡Vamos a España, pequeños niños!

Ages 3-5

Half Day

Dive into the world of Spanish culture! This camp will introduce our youngest students to the wonders of Spain, from its rich history, to big cities, and delicious cuisine. This Spanish immersion camp is a great way to introduce your child to Spain's geography and culture through hands-on learning.

Children will expand their Spanish skills through STEAM-based activities. We will launch rockets, compete to build structures, try cool experiments and create art all in the language immersion environment. This week will be a hands-on exploration of various STEAM activities all in Spanish.

¡Vamos a Cocinar!

Ages 6+

Learn Spanish while making a variety of dishes from the Spanish-speaking world! We will make tortilla de patata, tostadas, buñuelos, paella, arepas and much more all in a Spanish immersion environment.

*This is a half-day camp: 9 AM – 12 PM. Children may be enrolled in any other camp that week for the afternoon part of the day, if space is available.

Chinese Language Camps

Flavors of Asia

Ages 6+

Does your child love bubble tea, sushi, and fried rice or just want to try them for the first time? In Flavors of Asia, students learn about famous Asian foods and have the opportunity to make some favorites. We will learn about culture, try new food and practice using our chopsticks all in a Mandarin Chinese environment!

*Additional food supplies fee applies: \$40 (full day), \$25 (half day)

Ancient China Through Arts and Crafts

Ages 3-5

Curious about calligraphy? Passionate about puppets? We will learn about Chinese civilization as we try to create traditional arts and crafts. Children will make a variety of projects to take home as we get creative in Chinese!

Arts of Asia

Ages 3-12

Try your hand at arts from across Asia! Children in our arts of Asia will learn about a variety of art forms all in a Mandarin Chinese immersion environment. We will create our own ink paintings, make traditional masks and puppets and also learn about music and the performing arts.
